Overall Theme: **All About Me**

"What the child is able to do in collaboration today, he will be able to do independently tomorrow."

Lev S. Vygotsky (1896-1934)

Zone of Proximal Development (ZPD) Cont'd

- An example would be reading a book with a child.
 - They are reading the words of the book out loud to you as you follow along.
 - They come across a word that is unfamiliar to them and ask for help.
 - Instead of directly telling them the word, show them pictures or ask them questions about what they just read.
 - They will figure the word out on their own and come to understand what the word means on their own.
 - They will later learn to do it themselves first before asking for help.
