<b>Introduction</b>	Thank you for your time this morning, it was nice to see new faces and hope to see you all again at the next meeting. <b>MC</b> is the parent's forum staff representative. <b>MC</b> is a member of the senior management team at Mapledene.
<b>Parents forum, what's the big idea</b>	Parent's forums are designed for parents to meet, it gives parents a voice and enables them to contribute to Mapledene's decision making. It also helps develop a partnership between parents and the setting.
<b>Parental Involvement</b>	Thank you to Murial (Flore's mum) for offering her services to run French sessions for Palms and Maples children. Our current French teacher is no longer visiting the centre due to COVID. Thank you also to Michele (Mattia's dad) for offering to play a musical instrument to enhance the children's music and movement session. We will be in touch for times and dates
<b>Baby room Outside Shading</b>	Work has been completed in the baby room garden, the shading has been erected to a large area in the garden. Each pole is padded for safety to prevent accidents. The shading will benefit the children during the spring and summer months. We thank you all for helping us reach this goal.
<b>Parents Committee</b>	Mapledene Parent's Committee is now cluster based; we sit in cluster F alongside Ann Taylor and Morningside Children's Centre. We meet three times a year, the next meeting is due on 12 <sup>th</sup> February 2021 virtually. If you would like to become a member of Mapledene's Parent's Committee, please let Pamela know.
<b>Sun Babies</b>	An application for funding was made in August 2020, in October we were awarded a grant of over £1.000 to purchase tools and equipment for the learning garden.
